The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Flandreau Indian School, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Flandreau Indian School may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Flandreau Indian School to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook; Honor roll or other recognition lists; Graduation programs; and

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses and telephone listings - unless parents have advised the school that they do not want their student's information disclosed without their prior written consent.

If you do not want Flandreau Indian School disclose directory information from your child's education records without your prior written consent, you must notify the school in writing. Flandreau Indian School designated the following information as directory information:

- Student's name, address, telephone listing, Photograph, Date and place of birth, Electronic mail address.
- Participating in officially recognized activities and sports, weight and height of member of athletic teams
- Degrees, honors, and awards received, Major field of study
- Dates of attendance, Grade level, the most recent educational agency or institution attended

If there are questions about your or your student's (18 or older) rights under FERPA, you may contact the office at Flandreau Indian School.

If you do not wish directory information about your student to be disclosed please indicate on the attached form and return that form to the Flandreau Indian School.
