Application for Admission 2021-2022 School Year

Dear Parents/Guardians

Riverside Indian School (RIS) is now accepting applications for students seeking admissions in grades 4-12 for the 2021-2022 school year. RIS is the oldest and largest off-reservation boarding school in the United States and has been in operation since 1871. We serve approximately 500 students representing 80 tribal nations from 23 states. It is our goal to provide a safe and positive learning environment for our students. We take pride in implementing cultural elements into our curriculum while fulfilling academic requirements of the Bureau of Indian Education and the Oklahoma State Department of Education.

The application includes a checklist of documents that must be submitted with the applications. If the application form is incomplete, inaccurate, or the required documents are not included, your application will not be considered. Completed applications are reviewed by the RIS Admissions Committee on a first come-first served basis due to space limitations. Falsification of information will result in a denial of the application or an immediate dismissal of the student if the information is discovered after the student has been accepted.

Travel is provided by RIS for accepted students and includes travel to school, home for the holiday break, back to school after the holiday break, and then back home at the end of the school year. Travel arrangements are based on information provided in the application. Any additional travel based on withdrawals or family emergencies is the responsibility of the parents/guardians.

Thank you for considering Riverside Indian School for your child's education. If you have questions or need additional information regarding this application or our school, please feel free to contact us at 405-247-6670 or visit the school website at www.ris.bie.edu

Sincerely,

A handwritten signature in cursive script that reads 'Amber Wilson'.

SOCIAL SUMMARY

The enrollment of your child in a federal government boarding school should be a shared and continuous responsibility with you as parent(s) and/or guardian(s) or responsible relative-particularly, in reference to your child's social and educational development while he/she is in attendance at a boarding school. Therefore, we seek your cooperation in the completion of the following questions with your answers being handled in a confidential manner. Please continue on another sheet of paper if more space is needed.

1. In your own words, state your reason for wanting your child to attend boarding school at this time.

2. Briefly tell us about your child. How do you as a parent/guardian see and feel about him/her. What kind of behavior and attitude do you believe can be expected from your child while he/she is in boarding school?

3. Describe what you believe to be your child's interests, talents, or special abilities.

4. Has your child any specific problems which you think the school personnel should know about so they can be prepared to help in the best way they can?

5. With the knowledge that the boarding school will provide room and board for nine (9) months for your child, will you be able to provide school clothing and miscellaneous spending money on a regular basis?

6. Children living away from their families crave and need constant contact with their parents to reassure themselves everything is okay at home and their parents care about them. Would you share with us how often you feel you will be writing letters, telephoning, visiting at the school, or having your child visit at home.

7. Home visits during the year may be beneficial to your child, however, when he/she overstays his leave or drops out of school, it hurts your child's educational development and interferes with the school program. In most cases, the decision to overstay leave or drop school is made by the child and not the parent. We are interested in your reaction to this type of situation and would like to know how you, the parent, can help avoid having this happen to your child.

Have you discussed these questions and answers with your child? *(please circle)*

STUDENT POLICIES

The staff of Riverside Indian School wants to provide a positive learning environment for our students. Our major concerns are to encourage strong academic progress and to create a safe, effective classroom and dormitory situation. Therefore, we have adopted policies regarding gang-related activities and more intense surveillance in relation to drugs and alcohol.

SEARCH AND CONFISCATION POLICY

Riverside Indian School, in their desire to provide for health, safety, and general welfare of the students with whom they are entrusted will conduct periodic random searches for illicit drugs, alcohol and weapons. The search may include all personal items and school assigned items. Searches may be conducted with a dog trained to detect illicit drugs and alcohol. Illicit items will be promptly confiscated when found. Students eighteen years of age or older who are found to be in possession of illegal items may be turned over to the local law enforcement authorities.

GANG BEHAVIORAL POLICY

Riverside Indian School recognizes that gang activity in any form threatens the safety and well-being of individuals and is disruptive and harmful to the education process. Riverside Indian School refuses to allow gang activity to be associated with any aspect of the educational environment and prohibits the following behavior:

- Gang initiation or hazing
- Gang graffiti or tagging in any form
- Gang hand signs or gestures
- Gang solicitation or recruitment
- Threats or intimidation
- "Representing" of gang affiliation in any form (clothing and behavior)
- Any other gang-related activity that leads school officials to reasonably believe that such behavior is disruptive and/or threatening to the health and safety of students and staff.

At the discretion of Riverside Indian School authorities, a violation of the personal appearance and/or behavioral policy may result in the student being required to sign a "Gang Contract" promising to not engage in gang behavior. A violation of such contract may potentially result in disciplinary action up to and including a recommendation for expulsion.

CELLPHONES

Due to disruption of the educational process, cell phones will not be allowed during school hours. Cell phones that are seen during school hours will be confiscated and may be sent home.
